## Weather in your city

Madurai

Search

Madurai, IN few clouds

26°C temperature from 26 to 26 °C, wind 1.03 m/s, clouds 20 %, 1012 hpa

Geo coords [9.9333, 78.1167]

### Search engine is very flexible. How it works:

- To make it more precise put the city's name, comma, 2-letter country code (ISO3166). You will get all proper cities in chosen country.  
The order is important - the first is city name then comma then country. Example - London, GB or New York, US.
